

Establishment of a Consultation Center to Support Ukrainian Evacuees

In order to help those who have evacuated from Ukraine to Saitama Prefecture, Saitama Information & Support is accepting daily life consultations in Ukrainian and Russian.

Consultation Topics

Consultations regarding living accommodations and employment, as well as specialized consultations for topics such as the immigration system, legal problems, and welfare issues are available.
⇒ Consultations are available in multiple languages, including Ukrainian, Russian, English, and Japanese. An appointment is required for consultations in Ukrainian.

Types of Consultation

By phone, email, or in-person
